Love, prayers, and be safe

Nancie Cameron

Hello all, I so miss seeing each and everyone of you on Sundays and in fellowship. I send each and everyone of you a hug -virtually of course, - know that I keep each and everyone of you in my prayers daily for health and blessings. I send a very special heartfelt thank you to you Pastor Norma for virtual prayers at noon Monday through Friday and many thanks to all for wonderful Sunday church services. May you all stay safe, be well, much love to all until we meet again - Diane Chessman

To my dear church family,  
I miss all of you so much! I can't wait to see your smiling faces in church on Sundays and at Tuesday morning Women's Fellowship.

Ken and I have been taking advantage of our time at home to spruce-up our yard and are helping at the food pantry each week.

Take care and stay safe.

Love & Hugs,

Ken & Debbie Hall

Greetings to all my fellow church members! I miss seeing all of your beautiful smiles and heartfelt hand-shakes. Please keep the faith and know that this too shall pass. Till then stay safe, practice social distancing and don't forget to smile. It costs nothing but will make you feel like a million.

Love and prayers,  
Susan Nye

Greetings all of my First Parish friends!

I hope you are all safe in your homes. You are all very special to me! I am doing as well as can be. Living alone in my home is much better than when I was living in the cab of a big rig. (I did that for 5 years.) My job as a State Legislator and School Board member has kept me busy, in addition to continuing my home carpentry projects. I'm also enjoying the opportunity for cooking and baking things that I used to enjoy, but never had time to cook.

Please be safe! Wear a mask when you go to the store or any other public place. I want to see you all when this virus passes and we are allowed to open the doors of our Church once more. In the interim, please join us for Sunday service on our FaceBook Page, if you can. Or listen to Pastor Norma's daily message at noon.

May the peace of our Lord be with you all.

Gerri Cannon with my dogs, Katie and Newton

*The Daily Prayer Spots and Sunday Services brought to us all by Pastor Norma is so appreciated by Richard and me. We would also like to take this opportunity to thank Bette Daley, our organist, Geoff Day, our moderator, Nancy Day, Julie Hurley and Leo Janetos and all for their contribution in the making of our online services very meaningful and beautiful as the life of First Parish continues.*

*Love,*

Dear Church Family,

I sure do miss seeing you each Sunday morning for worship in our Church. I pray all of you and all your family and loved ones are well.

I sure hope before the summer ends we will be worshipping together again in our sanctuary.

I also miss our Tuesday Morning Ladies fellowship time together very much. Tuesday mornings just aren't the same!

I look forward to worshipping together again and visiting during our fellowship hour.

God Bless

Greetings to my First Parish family! I miss seeing everyone; passing the peace with everyone; breaking bread with everyone; sharing hugs with everyone. It has been a very tough time for each of us but I'm praying the worst is over and that we'll be together sooner than later. We need our congregation back!

I trust you have all remained safe and healthy in your homes, with family there for you. I have been blessed with all my family keeping track of me, sometimes a little too much!

Love and best wishes to you all, until we're together again. In the meantime, stay safe.

Blessings,

Priscilla

I have been a part of the church for so long and not to be there is not much fun. Don, Rich & I have been the congregation for the past few weeks, but Deb attends at her home so we do not see her for that day. It is so nice to see Norma, Geoff, Nancy, Julie Leo, and others. They have given us a wonderful feeling of being right there.

Seeing Norma, hearing Betty playing the organ have been a wonderful way of being in the church with everyone else. Thank you all.

Greetings to All of my Church Family,

I am doing well through this pandemic and hoping and praying that you are as well. I miss all of you and hope that we will be together again soon. Thank you, Pastor Norma and everyone that made our Facebook page available to stay in touch. Very nicely done. Peace and love to all of you. Stay safe and will see you soon.

Dear Beloved of God,  
Members of First Parish  
United Church of Christ,  
Somersworth,

How I miss seeing you in person! How I love to see you online! How I love to hear your voices on the telephone!

No matter where we are, God is with us;; God is as close as our breath!

Breathe in deeply and know that God is here! In this time of changes, we're learning and growing! It's like we're in that in-between time that the caterpillar goes through before becoming the butterfly. With God as our guide, and all the love in this church, who knows what bright design and creation will emerge from this transition?!

God is always with us!

God is full of surprises!

God is always doing a new thing! "See" you soon!

Love and peace to you,  
Pastor Norma
